SUBJECT: NOTICE OF EXECUTION OF AMENDMENT NO. 10 TO AGREEMENT 72426 WITH THE PERSONAL ASSISTANCE SERVICES COUNCIL (PASC) TO IMPLEMENT A BACK-UP ATTENDANT PILOT PROGRAM

As reported in my memo to you, dated August 14, 2006, on the above-referenced subject, Amendment #10 to County Agreement with the Los Angeles County Personal Assistance Services Council (PASC) was executed on August 10, 2006. This was in accordance with your Board Motion of May 10, 2006 that a Back-up Attendant Pilot Program be developed in Los Angeles County.

The PASC is moving forward with the development and implementation of the Back-up Attendant Pilot Program, and has informed the Department that the implementation date is targeted for January 2, 2007. Additionally, the PASC has identified the following key milestones that must be completed before the start of the pilot program.

- | | |
|---|-----------------|
| • Provider outreach and training | October 2006 |
| • Staff recruitment and training | October forward |
| • Completion of policies and procedures | November 2006 |
| • Start date | January 2007 |

Once implemented, our Department will continue to work with the PASC to ensure that the program is operating as expected. Additionally, the County and the PASC will continually evaluate the program for continued need, usage, quality of service, and cost.
